The Approach

How did you select this vendor and what were the deciding factors?

We looked at the reviews of TNW and knew they would be a fantastic fit for what we are looking for

Describe the project in detail and walk through the stages of the project.

We gave TNW A rough idea of what we are looking for on our website. We also gave them information and material that we wanted and in no time flat they had our site up and running and looking very professional

How many resources from the vendor's team worked with you, and what were their positions?

We worked with 1 agent the entire time and it was so nice!

The Outcome

Can you share any outcomes from the project that demonstrate progress or success?

Our agent is constantly updating our information per request as well as keeping us very informed and in the loop loop

How effective was the workflow between your team and theirs?

One word—FANTASTIC!!

What did you find most impressive or unique about this company?

They are so attentive to our needs and desires and completely wanted our success!

Are there any areas for improvement or something they could have done differently?

At the moment we have nothing to complain about. The service has been phenomenal!
